Sign Up Page:

Guide:

- In the sign up page you will be able to **create a new account** to be able to use the features of the library.
 - To do so, the following fields must be completed by both the users and the admin:
 - **Email Address**
 - **First Name**
 - **Password**
 - **Password (Confirm)**
- The following field must only be completed by the admin to have access to the admin dashboard:
- **Admin Passcode (Optional)**
- Lastly, click the **submit** button to create your account.

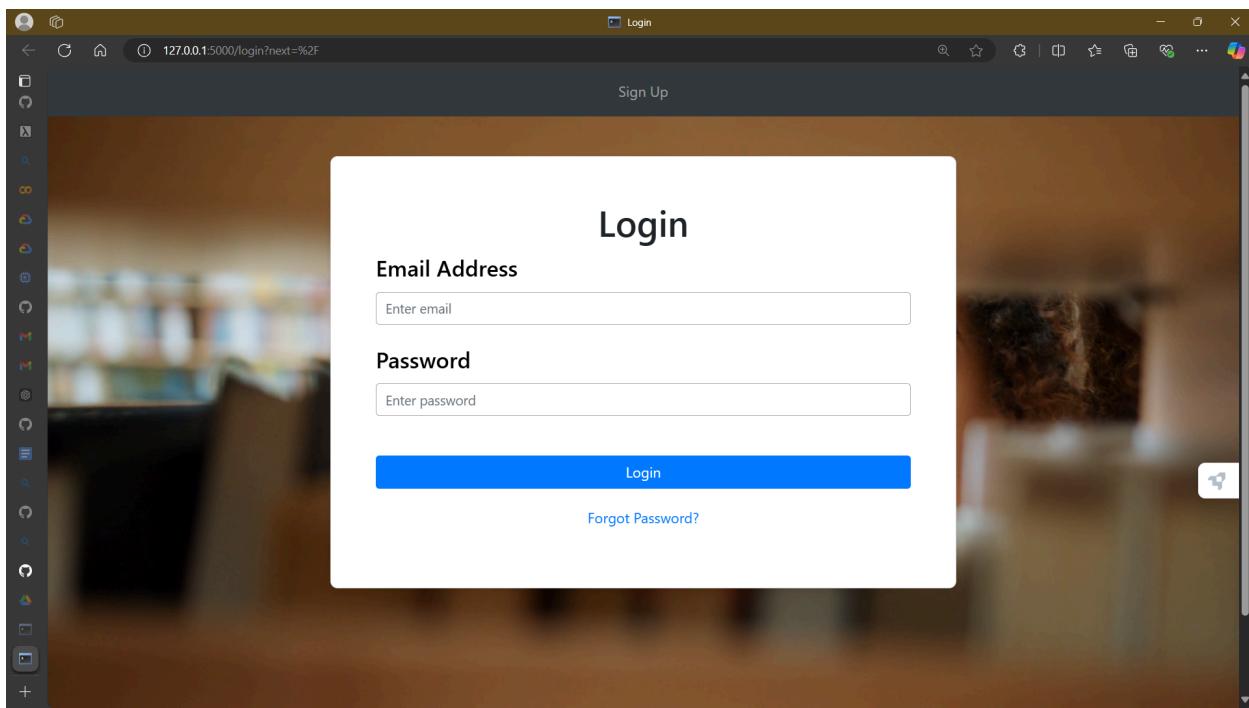

Tips:

- ★ If you are unsure about the admin passcode, contact the BookHive team.

Login Page:

Guide:

- After creating an account, you will be able to log **into the account** in the login page.
- To do so, the following fields must be completed:
 - **Email Address**
 - **Password**
- Lastly, click the **login** button to log into your account.

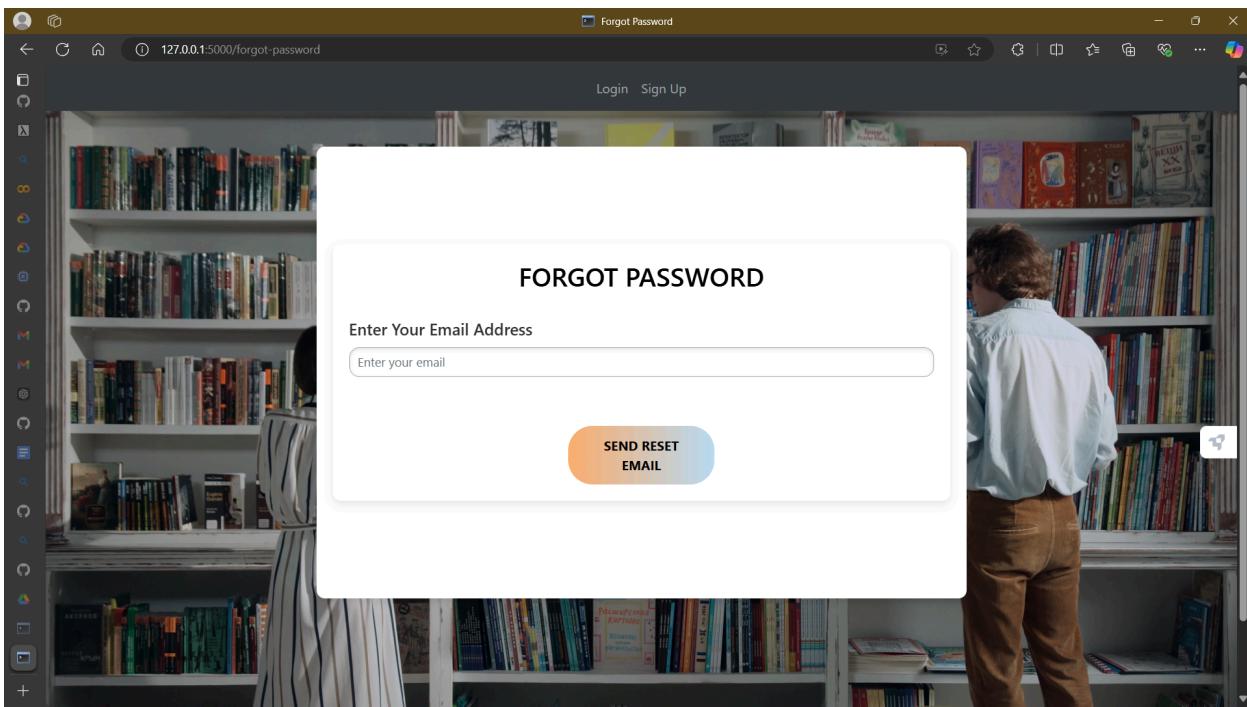

Tips:

- ★ If you are unable to log in, you can reset your password using the forgot password button.

Forgot Password Page:

Guide:

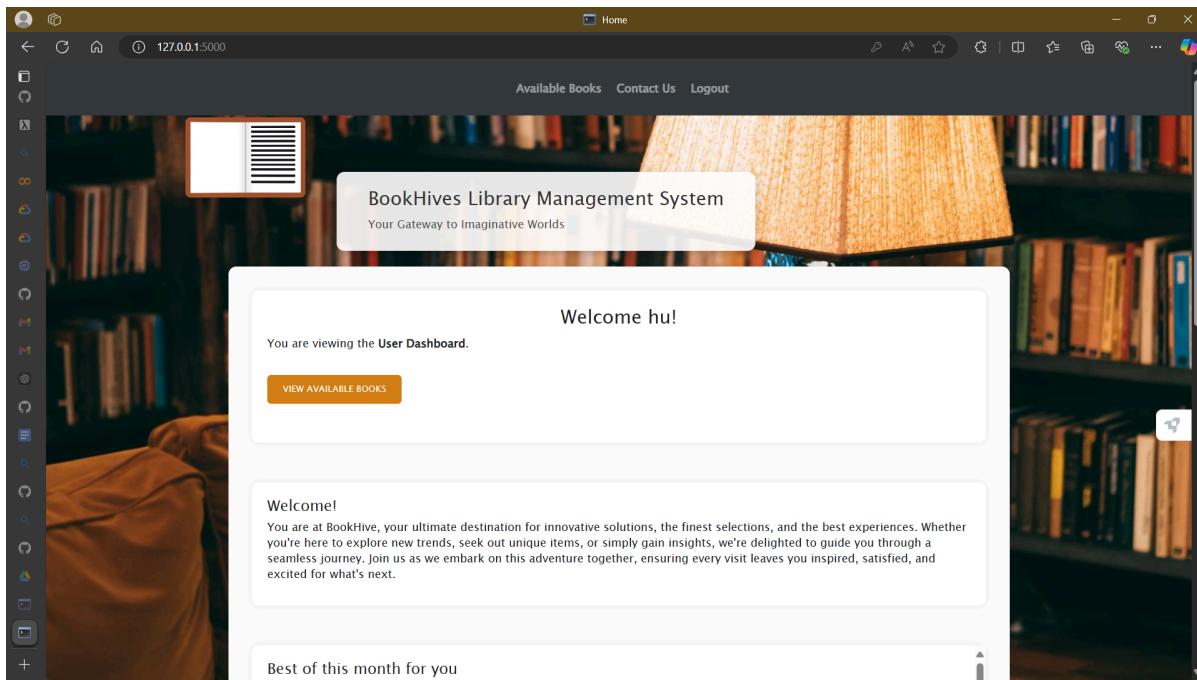

- Click on the **forgot password** button in the login page.
- In the Forgot Password page, you will **enter your email address**.
- Lastly, click the **send reset email button** to receive an email where you can reset your password to a new one.

Home Page:

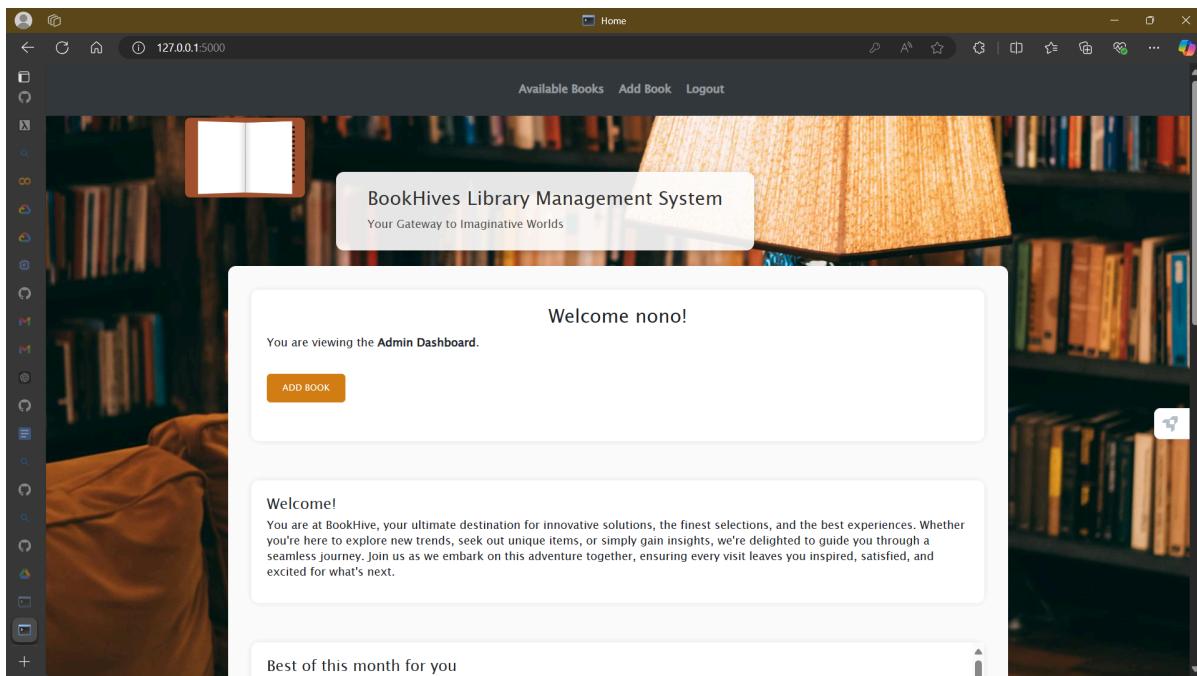

➤ User Dashboard:

If you log in as a user, you will have access to the **user dashboard** where you will be able to view and borrow the available books, and contact the administrator.

➤ Admin Dashboard:

If you log in as an admin, you will have access to the **admin dashboard** where you will be able to view, edit, and remove books.

Available Books Page:

> User Guide:

- In the user dashboard, click on the **available books** button at the top.
- In the book list you will be able to see the **details of the books**, including the title, author, genre, and number of copies.
- You will be able to borrow up to 5 books by clicking on the **borrow** button.

A screenshot of a web browser showing the 'Available Books' page. The URL is 127.0.0.1:5000/book-list. The page has a header with 'Home', 'Contact Us', and 'Logout'. Below the header is a 'Filter Options' section with a 'Filter' button. The main area is titled 'Book List' with columns: Title, Author, Genre, Copies, and Action. The 'Action' column contains red 'Borrow' buttons. The data in the table is as follows:

Title	Author	Genre	Copies	Action
The Shining	Stephen King	Horror	5	<button>Borrow</button>
The Night Circus	Erin Morgenstern	Fantasy	5	<button>Borrow</button>
Me Before You	Jojo Moyes	Romance	7	<button>Borrow</button>
Pride and Prejudice	Jane Austen	Romance	7	<button>Borrow</button>
Dune	Frank Herbert	Sci-Fi	6	<button>Borrow</button>
Harry Potter and the Sorcerer's Stone	J.K. Rowling	Fantasy	8	

> Admin Guide:

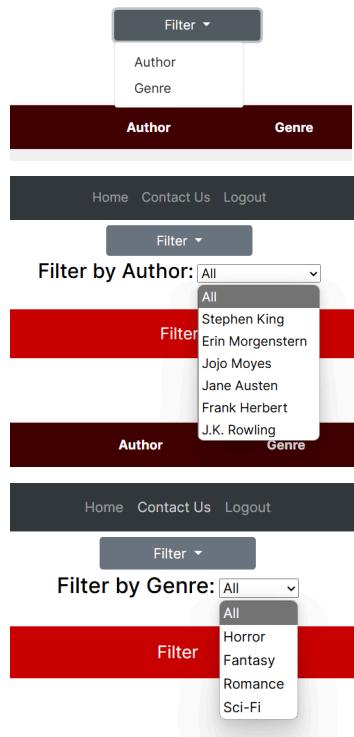

- In the admin dashboard, click on the **available books** button at the top.
- In the book list you will be able to see the **details of the books**, including the title, author, genre, and number of copies.
- You will be able to **edit** book details and/or **delete** them.
